That Chocolate Cake

Chocolate cake, made just right with a light and fluffy crumb that is so, so good. Between layers, Belgian chocolate frosting is just enough..... and OMG, you will be hooked. It has been said that even some "non-chocolate fans" love this cake....or, as it as become, "THAT Cake."

Vanilla Bean

(Our Blue Ribbon, Judges Award and Best of Show Winner)
When it comes to "less is more," this is the cake that takes.... the cake. :)
Vanilla cake made with flour, sugar, butter and milk; all the stuff you know. Vanilla bean buttercream is made from a beautiful Italian meringue that is light and simply delicious. The layers come together beautifully with specks of vanilla throughout. Feel free to request American Buttercream at no additional cost.

Funfetti

Confetti in my cake? Uh, YES please! Our vanilla bean cake with a dash of happy and a cup of FUN mixed in! We frost and finish with vanilla bean American frosting. Exclamation points and smiley faces in every bite!!! :)

Tiramisu

In English, "tiramisu" translates to "pick me up." This is our spin on the classic Italian dessert that keeps you light on your toes. Our Blue Ribbon vanilla cake doused with dark coffee and layered with a mascarpone filling and dusted with a whisper of rich cocoa powder for a perfect balance of flavor. Want something that is deLIGHTful? Pick this one. (Temperature sensitive - must be refrigerated)
